

Under the Sun

May 24, 2010

From Donna's Desk 

I tearfully say good-bye to this school year. This has been a very special year. The children came together as a great community; helping, caring, and willing to give their best. They have improved academically; gaining many new skills and learning how to learn. They grew personally; learning to accept differences among each other and knowing how to work out problems in an appropriate manner. I love this class and will miss them greatly.

This year has also given me a fantastic group of parents. You have supported me and have come through for me any time that I have asked for help. It has been great meeting you and getting to know you. You are wonderful people.

I am looking forward to next year, with several of my 2nd graders returning to my class as 3rd graders. I am expecting them to help the new members of our community. I also know that I will have parents that will help.

Good luck to all the children who will move on to other teachers.

They will take what they have learned and continue to grow.

Thanks to all! Have a super summer! I love you!

End-of-Year Field Trip

The Sun Birds will be going to Brandi Fenton Park on May 25th. They have a water play area. Students need to wear a swimsuit, bring a towel and dry clothes.

Each student is to bring a sandwich for lunch.
